

Idea 1: Textures and Stains

Concept:

- I love finding different textures around the city, on the street, in my house.
- When things fall and make a natural shape.
- Documenting that, by taking pictures.
- Exploring the different patterns that they make.

Examples
of types of
pictures I
will include
in the
archive:

The Ultimate STAIN REMOVAL GUIDE

RED WINE

Dab with **club soda**, then cover with **salt** and let it sit overnight

BEER

Soak in **cold water**; pre-treat with **stain remover** and wash

COFFEE AND TEA

Dab with **white vinegar** before washing

LIPSTICK

Scrape off excess color, then pre-treat with **stain remover** and wash

BLOOD

Soak in **cold salt water** for two hours; dab with **half strength ammonia** and water

FOUNDATION

Spot-treat with **dish soap** then wash on **hot**

SWEAT

Mix equal parts **lemon juice** + **water**; add **salt** to create a scrub and wash

CHOCOLATE

Spritz **stain remover** on to pre-treat, then wash

SOY SAUCE

Rinse with **cold water** and dab with **ammonia**; pre-treat with **stain remover** and wash

MUSTARD

Scrape off excess mustard and wash on **hot**

KETCHUP

Rinse with **cold water** from the back, then sponge with **white vinegar** and wash

SALAD DRESSING

(Creamy or Vinaigrette)
Pretreat with **stain remover**; wash on **hot**

PureWow.

Idea 2: Bucket list idea archive

Concept:

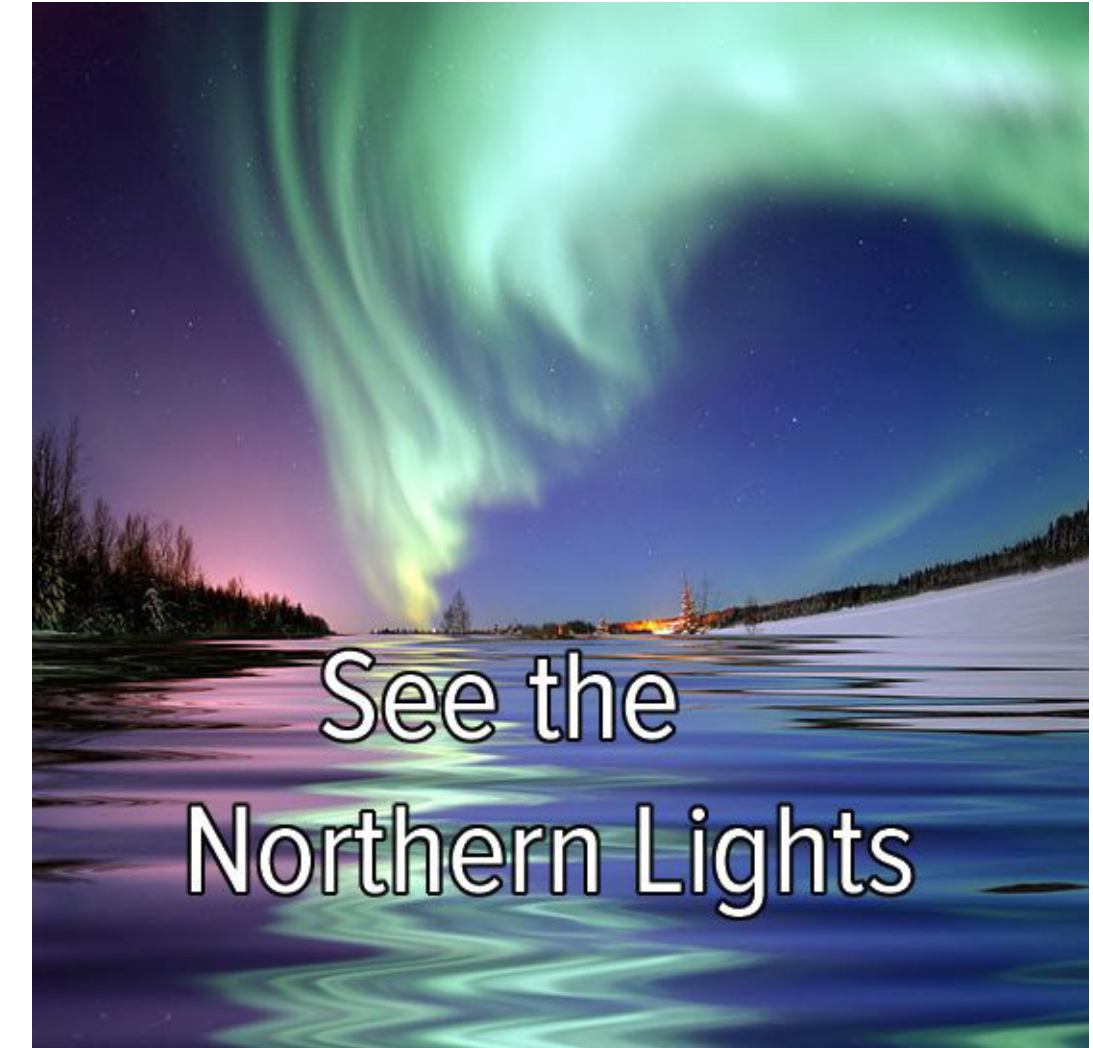

- Documenting all my bucket list ideas in the form of an archive.
- Dreamy pictures with text on top of them.

Theme:

- Dreamy and surrealist.

Examples of the types of images:

Colour Scheme:

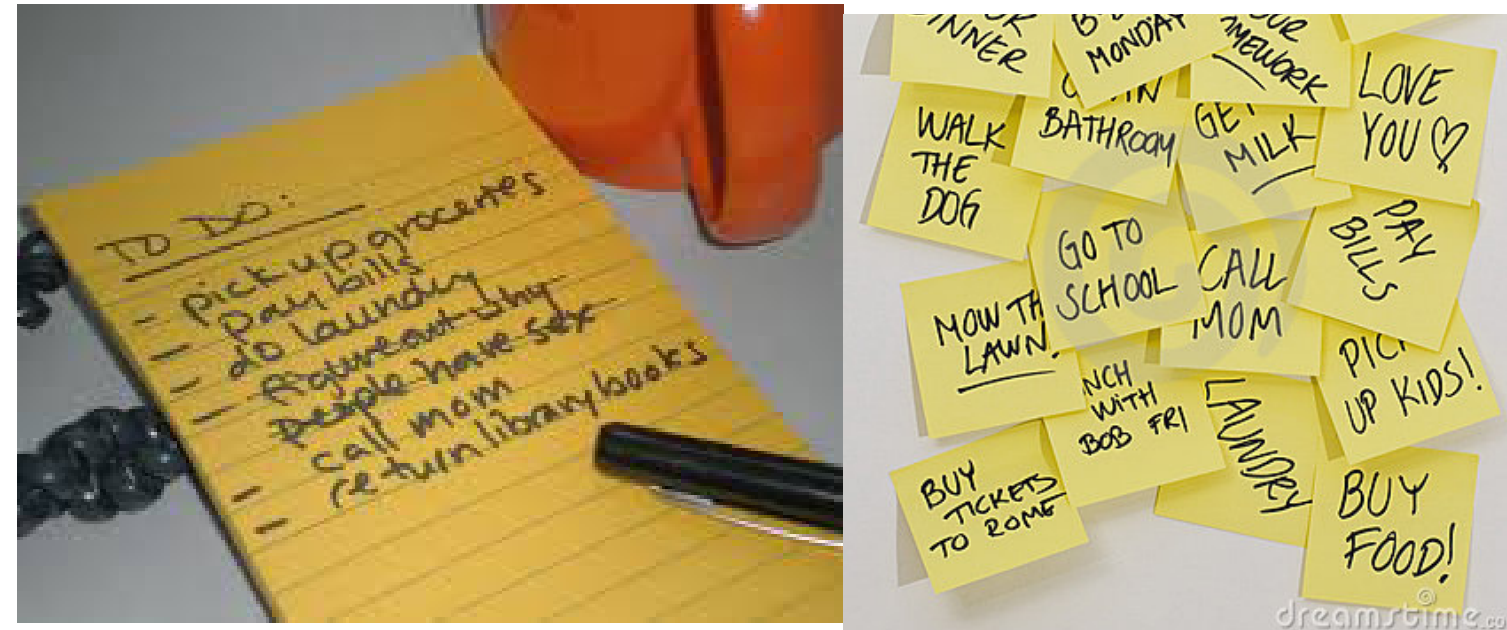

Idea 3: To do lists/Planner

Concept:

- Scanning all my existing To Do and homework lists,
- Some on post its and some in planners/ Calenders
- organizing them to make a creative archive.

Reference idea:

- The invoice concrete poetry book shown in class.

Colour scheme:
Yellow with black
and white scanned
images of planner
images.

Examples of the types of lists I will scan:
