Destination 2:
A trip back home

ABOUT:
Being an international student, it was obviusly hard for me to adjust in a new city. Therefore, my favourite thi-ing to do during vacations is to go back to my home ie-Mumbai.

VISIT MUMBAI

Destination 3:
An Adventure Rainforest

ABOUT:

The website will be a rainforest filled with different adventure sports. Each page will be a different sport and the user will be able to interact with the different sports.

For eg: The zip line page can have a feature where the user will be able to drag the cursor over the zipline and so on.
